### Overview

#### Academic Libraries Overview

Welcome to the IPEDS Academic Libraries (AL) survey component. The purpose of the AL component of IPEDS is to collect information on library collections, library staff, library expenses, and library services for libraries in degree-granting postsecondary institutions.

#### Data Reporting Reminders

- Report data to accurately reflect the time period corresponding with the IPEDS survey component, even if such reporting is seemingly inconsistent with prior-year reporting.
- Report all data for fiscal year (FY) 2024. Fiscal Year 2024 is defined as the most recent 12-month period that ends before October 1, 2024, that corresponds to the institution's fiscal year.

#### Changes to reporting:

No changes for the 2024-25 data collection period.

#### Coverage

Include data for the main or central academic library and all branch and independent libraries that were open all or part of the Fiscal Year 2024. Branch and independent libraries are defined as auxiliary library service outlets with quarters separate from the central library that houses the basic collection. The central library administers the branches. Libraries on branch campuses that have separate IPEDS unit identification numbers are reported as separate libraries.
